Morning Watch

Two ELCA pastors produced these videos during the early days of Covid while their families were isolating. They're good on their own, and also good for inspiration.

A Joyful Path

Children's curriculum from Progressive Christianity. The material provides some social justice orientation to children's ministry but needs some theological tweaks for Lutheran context. <https://progressivechristianity.org/childrens-curriculum/>

Sparkhouse

Various curricula for various ages, from early childhood to youth.
